Urban Life in the North

• Write a description of urban life in the Northern U.S. in the 1800s.

• What are some problems you see in the cities of the North?
The Snapping-up Boy carrying Medicine Bottle to the "Glory Hole."
The Industrial North

• What type of work did many people do in the North?

• Why do you think factories employed children?

• How might this type of work hurt the development of a child?
